Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 03 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rather cloudy with local heavy and thundery showers.

This Evening and Tonight:
Fairly warm during the evening with daytime showers gradually easing and allowing some sunny spells to develop. Overnight, a more organised band of heavy showers will move in from the southwest possibly becoming thundery or containing hail. Minimum temperature 14 deg C (57 deg F).

Sunday:
Starting cloudy with outbreaks of showery rain through the morning. Then a mixture of sunny spells and scattered showers, heavy at times and possibly thundery. Feeling warm. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Cooler with sunny spells and showers early Monday, before turning cloudy and windy with outbreaks of heavy rain. Strong winds and showers on Tuesday. Sunny spells and showers on Wednesday.
